

**The LASGB likes to recognise the outstanding work that arises out of the commitment of Governors to their Governing Bodies, their Schools and their Pupils.**

**To that end we award Certificates of Excellence each year. How can you get one awarded for an outstanding governor that you feel deserves recognition? See below!**

### **Criteria for Award of Certificate of Excellence**

1. The nomination should be for a governor who has given something over and above the call of duty to the school. For example a governor may have given specific support to the school at a particular time.
2. Long service is not in itself enough to warrant an award.
3. One nomination per year can be made by either the Headteacher or the chair of governors.
4. Awards will be given annually at the LASGB Annual Conference in May.\*
5. The last date for nomination therefore will be the end of March. Any nominations received after this date will be held over to the following year. Nominations should be in detail and sent either on paper or by email to [admin@lasgb.org.uk](mailto:admin@lasgb.org.uk) .
6. Nominations will not be accepted posthumously - but awards may be made.
7. The Executive Committee will have responsibility for approving the award
8. The Executive Committee's decision is final and no appeal process is valid.

\*Arrangements can also be made to make the presentation in your school.
